LUNCHBOX

"Anywhere I go, any job I take, they're likely going to hear me say 'I need Torii' because it's part of my core observability and SaaS management practices. It would be challenging for me to work as efficiently without Torii"

"Torii gives us a central source of truth for all things SaaS. Now, we have control over our apps and expenses. I fully recommend Torii for its great SaaS detection, timedaving workflows, and comprehensive cost-savings."

ARTICLE.

"If you have 10+ SaaS apps in your organization and are spending too much time managing them, it's definitely worth getting Torii. Torii is more than just a SaaS management tool— it has endless opportunities."

Gian Luca D'Intino-Conte Director of IT, Lunchbox

Joshua James IT Operations Expert, sennder

Salar Sahraeian Senior Manager of IT, Article
